## Frequently Asked Bus Questions

**How do I know which bus my child will ride?** Refer to the bus routes on these pages and remember your cartoon character (Parents, we mean you too!).

**What time should we be outside for the bus in the morning?** The first few days before 7:30 then you'll know the approximate pick up and drop off times.

**What time should I expect my child home?** You should be waiting by 12:00 noon and expect your camper to arrive between 12:00 and 12:20.

**Where do kids who live in Altamont catch the bus?** Altamont families can catch the bus at Orsini Park between 7:45 and 8:00 am or along the Smurf or Shrek routes.

**Can my child ride a different bus home or be dropped off at a different location?** Yes, but your child must bring a note to his or her counselor with specific instructions and a parent's contact number. Otherwise, the camper will go home on the same bus he or she took in the morning.

**How does busing work for enrichment and sports camps?** You can drive your child yourself or the kids can take the regular day camp bus in the morning to Tawasentha Park. They will then switch buses to go to the different sport or enrichment camp locations. The process will be repeated (in reverse) for the ride home.

**Is there busing available for the afternoon camps?** No. The buses only run in the mornings and complete their drop offs by 12:30. There are no buses after August 8th.

**What do I do if the bus is late?** Call Sue Spiak on her cell phone 867-6907.
