

The Town of Guilderland will once again provide transportation for our six week summer camp programming - available Monday, June 26, 2023 through Friday, August 4, 2023.

This service will look different from past years. Campers can register for bus transportation or be dropped off & picked up by an authorized person. Please take a few moments to read through this information thoroughly.

- Registration is required. To register log into your Guilderlandrec.com account - search for the Transportation for Summer Camp program. The cost is flat fee of \$20 per-camper per-week.
- Registration deadline is Sunday, June 4th.**
- Availability is on a first-come first-serve basis. There is a limited number of buses and spacing available.
- Transportation is available and limited to Town of Guilderland residents - buses will not pick-up or drop-off outside of Town.
- Unregistered campers will not be permitted on the bus. Register early to assure a spot.
- The buses will leave the bus garage at 7:30am and arrive at Tawasentha Park between 8:15 and 8:30am - depending on the length of each route.
- Bus routes will have designated locations for pick-up and drop offs, with a number of centralized points throughout the route. The bus will remain at each designated location for apx 10 minutes (ex. Lynnwood Elementary.) A centralized point is a quick pick up at certain location (ex. corner of Main St and Brandle Rd.)
- We encourage you to utilize the designated locations for pick-up and drop off.
- The bus will no longer pick up campers at the end of their driveways.
- Each bus route will be assigned a cartoon character for easy identification.
- Transportation is available to any Sports or Enrichment camps offered between 9:00-11:00am.

- Buses will exit Tawasentha Park at approximately 11:40am for the return routes.
- Estimated designated location pick up times are indicated in the bus routes.
- Parents/Guardians must be present at designated drop off locations. Campers will not be let off the bus unless parent/guardian is present. Please be there a few minutes early.
- The Bus Transportation Supervisor contact number is 518-704-5461.
- Send your camper with his/her camp tag - located in the back of this brochure or on the registration website.
- For further information, call the Parks & Recreation office at 518-456-3150 between 8:00am-3:30pm

The Town reserves the right to limit participation based on behavior of campers and will not provide a refund. A refund will also not be provided once the camper's registered session begins.

This is not a requirement for campers to attend our programming but a service for families to utilize. Campers can still be dropped off or picked up from their desired camp by a parent/guardian.
